DEATH OF A CHINESE SCHOLAR

MR. FUNG YUK-SHUM
FORMER JOURNALIST: EXPERT ON CLASSICS & ART
A.P.C. COLLEAGUES' ESTEEM

Hong Kong has lost one of its most studious Chinese residents in the person of Mr. Fung Yuk-shum (also known as Fung Yuk-shan), the senior member of the Chinese staff in the head office of the Asiatic Petroleum Co. (South China), Ltd. Mr. Fung was only 59 years old and he leaves a wife and seven children to mourn his loss. In 1911 he joined the A.P.C. For a few years he was associated with the Hong Kong Mercantile Co., Ltd., on the liquidation of which he was again employed by the A.P.C. Mr. Fung was a journalist in his younger days, being connected with the "Chung Kwok Po" of Hong Kong, one of the first organs of the predecessor of the present Nationalist Party of China. Literature & Art Educated at Queen's College, Mr. Fung counted as one of his best friends Mr. A. H. Crook, M.A., the present Headmaster. He was also highly respected by the Hon. Dr. R. H. Kotevall, C.M.G., LL.D., Mr. Li Yau-tsun (chairman of the Hong Kong Chinese General Chamber of Commerce) and many other leading Chinese residents. Very well versed in the Chinese classics, Mr. Fung had a great knowledge of art and literature. In the A.P.C. his post until his untimely death on Saturday was in the translation and publicity department.

Funeral To-day
Mr. Fung was held in esteem by all his British and other colleagues who considered him as even more than a good friend, and all one regret his loss. The long flag was flown at half-mast to-day out of respect for him. The funeral takes place to-day. The cortege leaves the house, No. 6, Ying Fat-terrace at 4.15 p.m., passing the Monument at about 5 p.m. and the remains will be interred in the Roman Catholic Cemetery.

THREE LOCAL FIRES

FIRE BRIGADES HAVE A BUSY TIME
POLICE REPORTS

All the Fire Brigades of both Hong Kong and Kowloon, and the Fire Floats had a very busy time last night when they were called out to attend to three fires. One outbreak was on board the s.s. "Cheng-ta" in midstream, the second at Yau-mat and the other in Repulse Bay.

This morning's police reports of the outbreaks follow:—
Capt. C. F. Gambrell of the s.s. "Cheng-ta" reported to the Water Police at 2 o'clock this morning that at about 12.30 a.m., whilst the vessel was tied up to the No. 1 buoy in the harbour, an alarm was raised that fire had broken out in the No. 1 aft lower hold. On investigation, it was found that the cargo in this hold was well alight.

The alarm was sounded on the ship's siren and the ship's hoses were brought to play on the flames. Soon afterwards Fire Floats arrived and the firemen took charge. Cargo in the No. 1 aft lower hold was of a general nature and consisted of rice, sea grass, case goods and tea. The flames spread to the No. 1 fore lower hold where the cargo consisted of gunny bags and case goods.

Fire in 2 Holds
It is impossible at present to ascertain the cause of the outbreak and the amount of damage done to the cargo in the two holds involved. Captain Gambrell added that the ship was loaded throughout Sunday until 10.30 p.m.

A Fire Brigade report added the information that the Nos. 1 and 2 Fire Floats attended the outbreak. After a stubborn fight the flames were got under control at 2 a.m., and was finally extinguished half-an-hour later.

The alarm of the Yau-mat fire was received at the Kowloon Fire Station at 8.40 p.m., last night. The outbreak originated on the third floor of No. 65, Walching-street, in premises occupied by the Man Shing Paper Dyeing Co. The flames spread to the third floor of house No. 53, and both these floors were gutted. The ground, first and second floors of both Nos. 53 and 55 suffered damage by water.

BABE DANIELS ENGAGED

NEW YORK SURPRISE
TO MARRY "TOMMY" HITCHCOCK, WEALTHY SOCIETY MAN
FAMOUS POLO PLAYER

New York (By Mail).—Miss Babe Daniels, the famous film star, is engaged to marry Mr. "Tommy" Hitchcock jun., the well-known American international polo player. The announcement of the engagement has caused a sensation in New York society circles. Mr. Hitchcock is a member of one of the wealthiest and most socially prominent families of the exclusive Long Island colony at Westbury. The Hitchcock home within a few miles of the famous Meadowbrook polo field is one of the show places of Long Island. Mr. Hitchcock was a member of the fashionable group who entertained the Prince of Wales when he stayed for three weeks at the neighbouring town of Syosset, Long Island.

RIVER PERILS
British Steamer Fired On
Shanghai, To-day. The British steamer "Wan-tung" with Sir Frederick and Lady Whyte aboard, was fired on in the Yangtze. Forges by pirates. No damage was done.—Reuter.

Island, during his American tour three years ago. This is the first occasion on which society and the films have been linked in romance since the marriage of Miss Constance Bennett to Mr. William Plant, son of an aristocratic New York family, early in 1925. Miss Bennett subsequently retired from the films.

"America's Funniest Woman"
Miss Daniels, who has played every kind of part—she has been leading lady to Valentino and a partner of Harold Lloyd—has (writes a film critic) established herself as America's funniest woman. She began her screen career when she was eight years old, and became later one of the Mack Sennett bathing girls. She is now 27. For the last five or six years she has been turning out farcical comedies set in various phases of American athletics. It is, therefore, more than usually interesting to find that her future husband has made a reputation as one of the finest polo players in the world.

SERIOUS CHARGE

ARMS AND PRINTING PRESS IN A FLAT
BEFORE THE COURT

Armed with a warrant issued for the unlawful possession of arms, the police raided No. 892 Reclamation-street, Yau-mat, yesterday, and found in the flat a recess for arms but also a printing press for the printing of lottery announcements. Rolls of cloth and other articles, reported to have been stolen from shops within the vicinity of the flat were also unearthed. A Chinese arrested, appeared at the Kowloon Magistracy charged with printing lottery announcements and with having a printing press without a licence. Defendant pleaded guilty to both charges, and was fined \$50 or a month on the first charge, and \$100 or 2 months on the second.

Slight damage by water was also done to Nos. 51 and 57 on either side of the burned premises. The cause of the outbreak and the extent of damage done has not yet been ascertained. **Hillside Blaze**
At 8 o'clock last night, the Hong Kong Fire Brigade received a call to a fire on the hillside at Repulse Bay. On arrival it was found that the fire was amongst some grass on the hillside, nearly 700 feet beyond the cone tower. The area involved was some 1,200 square feet in an almost inaccessible spot some 250 feet above sea level. The firemen, assisted by the police, had difficulty in getting appliances square feet in an almost inaccessible spot some 250 feet above sea level. "VERITABLE BATTLE" OF REVOLVERS

LIVELY BULGARS
SANGUINARY ENCOUNTER IN CENTRE OF SOFIA
POLITICAL "CONTEST"

Belgrade, Yesterday. Details of a sanguinary encounter in a crowded centre of Sofia on the 12th instant, are filtering in and show that a "veritable battle" of revolvers was freely contested between factions for the Macedonian Revolutionary Committee, who support Ivan Mihailoff and the supporters of General Protogeroff. Ten were wounded including the Turkish Military Attaché and also Major Traikov, one of the heads of the Party of Albania.—Reuter.

AUSTRALIA'S T.U.C.

DESCRIBED AS A LOT OF COWARDS
UPROAR NEAR MELBOURNE

Melbourne, Yesterday. There was great uproar at a demonstration at Yarrabank when Mr. Crofts, secretary of the Australian T. U. C., declared that victory was hopeless. He was howled down by a section of the crowd who described the T. U. C. as a "lot of cowards."

Police Rewards
An earlier telegram stated: Despite the offer of a reward of \$500 for the detection of the bombers a further outrage occurred last night at the house of a stove-dore foreman at West Brunswick. The building was partly wrecked but there were no casualties. Police protection has been doubled in the danger areas, and the police are urging the Government to increase the reward to \$2,000.—Reuter.

PRINCE OF WALES

LEAVES NAIROBI FOR UGANDA
SURPRISE CHAT

London, Yesterday. The Prince of Wales left Nairobi Kenya, to-day for Uganda. The leave-taking was informal. A few miles out of Nairobi the train stopped at the station and the Prince alighted, taking by surprise the group of people waiting to see his train pass. He chatted with them for a few minutes, before resuming his journey to Uganda.—British Wireless Service.

U.S. TARIFFS

GOVERNOR SMITH ON CUSTOMS DUTIES
"BUSINESS PROBLEM"

Louisville, Kentucky, Oct. 14. Governor Smith, in a speech referring to import tariffs, urged that the question of Customs duties should be removed from politics and treated as a business and economic problem. He would refer any changes of rates to a tariff commission. He declared that no revision of rates which interfered with the American standard of living or took five cents off a workman's wages would be approved by the Democratic party.—Reuter's American Service.

U.S. TO SPAIN

TELEPHONE SERVICE OF 6,500 MILES

Washington, Yesterday. The new telephone service between Spain and the United States has been inaugurated. President Coolidge and King Alfonso conversed over a 6,500-mile wireless and cable circuit between Washington and Madrid. "President" Coolidge's voice was conveyed by wire from Washington to Long Island, by wireless across the ocean to Cupar, Fife-shire, and thence over the British, French and Spanish telephone lines. King Alfonso's voice was returned by a similar arrangement through the wireless stations at Rugby and Houlton, Maine.—Reuter's American Service.

THE GRAF ZEPPELIN'S PROGRESS

LATEST NEWS
MESSAGE STATES "ALL WELL," PLENTY OF FUEL
SERIOUS DAMAGE

Washington, Oct. 14. The Navy Department has received a wireless message from the "Graf Zeppelin" stating that the weather is rough and the airship has damaged her port horizontal. Repairs are being effected and she is proceeding at a reduced speed of about 50 knots. Her position is 33deg. N., 45deg. W., or 1,100 miles east of Bermuda. She requests that a vessel in the vicinity will follow her course.

The Navy Department has ordered all light cruisers in the Hampton Roads and a squadron of destroyers at Charleston, South Carolina, to be ready to leave immediately in case of need.

Damaged Stabiliser
The message states that there is no cause for alarm as the damage to the airship's stabiliser is being repaired and speed has now been reduced to forty miles an hour. The naval air station at Lakehurst, New Jersey, has received a later wireless message stating that temporary repairs have been effected and assistance is not needed at present.—Reuter's American Service.

"FINE"

E. winds, moderate, fine, is the forecast until noon to-morrow. The anticyclone is central over N. Japan. The typhoon is situated more than 150 miles N. W. of Guam, moving W.N.W. Moderate monsoon will prevail along the China Coast to the south of Foochow and over the northern China Sea.

Prayers For Safety
New York, Oct. 14. The "Graf Zeppelin" at 7 o'clock this evening was 1,140 miles from Lakehurst, for which place the commander intends to make immediate repairs. In the meantime, silent prayers are being offered at all the theatres on Broadway for the Zeppelin's safety, while religious services are broadcast and bulletins of the flight continuously issued.

"Complete Silence"
The "Graf Zeppelin," maintains complete silence. Meanwhile the huge crowds that invaded Lakehurst Field in the early morning in thousands of cars are still waiting and hoping, despite bulletins, that the craft will appear at any moment. Many were prepared to camp over night and officials are keeping an all night vigil with lights turned out at full power.

Message Picked Up
New York, Yesterday. The message picked up by the Navy Department places the position of the Zeppelin at noon at 80 miles north east of Bermuda.

"All Well"
The message added that the airship was running south-west in order to reach favourable winds as it was desirable in view of a necessary reduction of speed all were well aboard and there was sufficient fuel. The Zeppelin hitherto declined to answer enquiries as to her whereabouts on the ground that she was "too busy" to send press messages, but if the foregoing is accurate she has scarcely progressed 12 hours, presumably owing to adverse winds.

Direct Communication
New York, Yesterday. The first direct communication from the Graf Zeppelin to Lakehurst Naval Air Station says the craft will probably not arrive there before Monday afternoon.

A HIGHLANDER'S WEDDING

VERY OLD CUSTOM
PIPER PLAY "THE LADDIE I LOVE BEST"
BASIN FOR THE KING

Pipers of the Queen's Own Cameron Highlanders, the bridegroom's regiment, played "The Laddie I Love Best" as the bridal party left Pittsford Church, Northamptonshire, after the marriage of Mr. John Houlson Craufurd, son of Brigadier-general J. A. Houlson Craufurd, of Ayrshire, and Irene Marlow, daughter of Mr. and Mrs. John Marlow of Sedbrook, Pittsford.

The bridegroom comes of an old Scottish family who were given Braeghead by James II. of Scotland on condition that the owner and his successors should present to the King when he visited Holyrood Palace a basin in which to wash his hands.

Last year the bridegroom assisted his father to perform the old-time ceremony when the King visited Holyrood.

EARL BIRKENHEAD

DEFINITE STATEMENT AS TO HIS RESIGNATION
GOING TO FLEET STREET

London, Oct. 14. Reuter's Agency is informed that Lord Birkenhead, Secretary of State for India, is definitely leaving political life and taking up a position in the City. His resignation from the Cabinet will take effect immediately the King accepts Lord Birkenhead's request to be relieved of his Ministerial responsibilities. For the time being, pending the appointment of a successor, Earl Winterton will act as Secretary of State for India.

It has been known for some time that influential men in City Commercial circles and certain big newspaper interests have been competing for Lord Birkenhead's services, and it is now believed that the latter have won, and that the ex-Minister's new sphere of activity will be in Fleet Street.—Reuter.

STOLEN UMBRELLA

COOLIE AND SCHOOL GIRL'S PROPERTY
SIX WEEKS' HARD

A coolie, employed at St. Mary's School, Chaitain-road, was this morning charged at the Kowloon Magistracy with the theft of an umbrella, the property of one of the students. According to the prosecution defendant was yesterday afternoon, seen by a Chinese detective scrambling over a wall surrounding the school. He had an umbrella in his hand. Failing to give an appropriate reply, defendant was arrested.

In the charge room, defendant said that he found the umbrella wrapped in paper on a flower bed. Police records showed that defendant had two previous convictions against him. In 1921 he was sentenced to 8 months for possession of opium, while only last year he was fined \$50 or 4 weeks for theft. Defendant admitted the previous convictions, and was sentenced to 6 weeks with hard labour on the present charge.

THE EX-KAISER BUYS A CASTLE

Cologne, Yesterday. It is reported that the ex-Kaiser has purchased the castle of Heerenberg, near the German Dutch frontier within a short distance of Emmerich and the Rhine, recently in the possession of a textile manufacturer and built in the 18th century as a stronghold for the Counts of Berg.—Reuter.

NANKING INCIDENT

Joint Commission Appointed

The Chinese-British joint commission to determine British damages, as the result of the Nanking incident of March last year will consist of Messrs. George Combe, A. G. Mossop, Crown Advocate, Shanghai; Clarence Kuang-sun Young and Wu Chin.—Reuter. Geo. A. Combe, C.M.G., is in the Consular Service and was a captain in the Chinese Labour Corps in France.

Scottish Borderers were, this morning, charged before Mr. R. E. Lindsell, at the Central Magistracy, with behaving in a disorderly manner near the Post Office at 1 o'clock this morning by over-turning rickshas.

Captain P. Perfect, K.O.S.B., occupied a seat on the bench with the Magistrate. Both defendants pleaded "guilty," and the police handed the man's records.

After reading these Mr. Lindsell remarked that Grant had had two previous convictions in that Court this year.

Grant: Yes, sir. Mr. Lindsell: You were fined in February and sent to prison in April.

Heggarty admitted one previous conviction this year. Addressing both men, Mr. Lindsell said that he understood from their officer that the military character of both was "indifferent," and passed sentence of three months' hard labour on Grant and two months on Heggarty.

Proceeding, his Worship said that may be the defendants thought that by getting into trouble with the civil authorities and getting sentenced to civil imprisonment, they would get out of the Army. They were very much mistaken. They would not get their discharge from the Army in that way, and they would find that when they came out of jail things would be harder for them in their Battalion.

STARTLING STORY

GERMAN AGREEMENT WITH THE SOVIET
SECRET LETTER

Berlin, Saturday. The moderate socialist deputy, Franz Kuenstler, publishes in the "Vorwaerts" a secret letter which General Von Seeckt, Commander-in-Chief, sent in August 1924 to Professor Junkers urging him carry out "his agreement with the Soviet for building aeroplanes for the Russian and German armies," indicating a secret German-Soviet air alliance.

Kuenstler says the chief of the Soviet air force came to Berlin and negotiations, which were prolonged, were concluded in 1923. They stipulated that Junkers should establish works near Moscow and build yearly 240 machines for the German army and 80 for the Soviet, the German Government to give a subsidy of many thousands sterling annually.—Reuter.

4 BRITISH NAVAL PLANES

COMING HERE
DUE TO LEAVE SINGAPORE ON NOVEMBER 1
STOPPING AT MANILA

Manila, Oct. 11. Four British amphibian airplanes, whose projected tour of the Orient was announced early in June, will leave their Singapore base on November 1, it was learned to-day from authoritative sources. Flight Captain Cave-Brown-Cave, British ace, is in command of the expedition which numbers ten men including several well-known fliers. It is understood that a new type of amphibian plane with a long cruising radius is being used for this Far Eastern flight.

Reports that the British fliers would hop off from Singapore on first of next month give rise to the belief that they can be expected in Manila about the middle of November. Although detailed schedules of the flight itinerary have not been made public, the tour apparently is slated to cover the route contemplated in the advice of several months ago—Singapore to Hong Kong and Shanghai; thence to Manila and probably two other stops in the Philippine Archipelago. At Manila, the port authorities already are planning for the reception to the aerial visitors and are considering the reservation of a certain area within the breakwater to accommodate the flying craft.

Noteworthy Flight
It was learned unofficially to-day that the United States Naval officials here have a co-operative plan in mind whereby all of the projected three ports of call in the Philippines will be marked with mooring buoys for the convenience of the fliers. The other ports aside from Manila are believed to be Isparta Puerto Princessa. Arrangements are being made for the additional landings and the necessary fueling at these stations.

Manila's inclusion in this noteworthy flight is bound to be of national interest since it is the second important aerial achievement in which the city has figured. Aside from the official ceremonies which are expected to attend the visit here of the British fliers, social affairs will figure prominently.

FRENCH "SUB." LOST

MYSTERIOUSLY DISAPPEARS OFF PORTUGUESE COAST
48 LIVES LOST

Paris, Saturday. How the submarine "Ondine" disappeared with 3 officers and 40 men is described in a report by the captain of the Greek steamer while she herself was damaged in the bow and is now docked at Rotterdam for repairs.

It appears the submarine was running on the surface in the steamer's path close to the Portuguese coast when there was a sudden and violent impact, as the steamer's prow crashed into the submarine's stern. The captain immediately ordered a search and wireless to vessels in the vicinity but the submarine had vanished leaving no trace.

The newspapers are drawing attention to the mysterious features of the disaster and ask why did the steamer "Ondine" and was the submarine carrying lights?—Reuter.

WEEK-END CRICKET

THREE DIVISION II LEAGUE
MATCHES

TWO VOLUNTEER XI'S OUT

Three interesting league
cricket matches were played on
Saturday, as well as a number
of "friendlies." That Sunday
cricket is now definitely in vogue
in the Colony is evident from the
fact that three games were played
yesterday, the Volunteers taking
part in two. The H.K.V.D.C.
1st XI accounted for the Royal
Navy but the 2nd XI went down
to the Combined Schools, a team
from which had held the Chinese
R.C. to a draw on Saturday.

In a club match at Kowloon
yesterday the Finch brothers
shone with the bat. E. F. ran
up three figures and E.C. made
59.

and went on to make 169. Sig.

I.R.C. 2ND v. ELECTRIC R.C.

Entertaining Electric Recreation
Club, Indian R.C. 2nd XI won by
28 runs.

Batting first, the winners opened
cautiously and scoring was particu-
larly slow for the best part of an
hour, but as soon as the sting was
taken out of their opponents' bow-
ling, Madar (88) and Kitchell (51)
hit out to good effect, the innings
being declared at 158 for eight
wickets.

After surviving an easy chance
for a catch before he had opened his
account, Murdoch made a valiant
effort to save his side from defeat.
He knocked off a useful 45. With
the exception of Banks (30), how-
ever, the other Electric R.C. batsmen
did little against the steady bowling
of the home team, A. M. Rumjahn
(5 for 39) being the most success-
ful trundler. Scores:—

ly good start, scoring 25 runs before
losing their first wicket, but the
later batsmen could not stem the
attack of Lacey and Alexander. The
former accounted for five wickets
for 42 runs and the latter four for
15. For the losers, Rumby (23

SERIOUS CHARGE

P.O. EMPLOYEE SENT TO PRISON

MAIL TAMPERING

On Saturday Major C. Willson, O.B.E., convicted one of two Chinese post office employees charged with tampering with mail bags. The case was continued from Friday afternoon, when evidence was taken.

Originally there were 6 men charged, but the three others were discharged at the first hearing.

The first defendant was defended by Mr. A. E. Hall.

The second defendant was charged with being an accessory to the fact.

Mr. L. J. Castilho, launch officer of the post office, deposed that on September 27, he was on board the No. 1, launch to deliver mails for Saigon and Haiphong.

After delivering mails to the s.s. "Clara Jensen," the launch proceeded to the s.s. "Limchow."

On the way his suspicion was aroused when he saw the second defendant sitting on a chair in front of him, smoking a cigarette.

Witness then went down to the cabin and there he saw the assistant coxswain and the first defendant in the act of tying up a parcel bag.

Witness however questioned them as to what they were doing and the assistant coxswain answered that he knew nothing about it.

Opening a Bag

On opening the bag, he found that there was a Chinese quilt and some stones in it. Witness also discovered in the cabin four parcels covered by a tarpaulin. The parcels were then put into the bag and, together with the quilt and stones, they were taken up to the bridge.

By this time the launch came alongside the s.s. "Limchow." After delivering the mails, witness suddenly noticed that he had lost sight of the coxswain. On coming down from the bridge, he saw the second defendant running under the bridge ladder and there he saw him throwing the quilt and the stones overboard. Later on only the quilt was discovered.

On returning to Blake Pier, witness sent word to the post office to call for Mr. T. M. Perpetuo, the Assistant Superintendent of Mails. Later on Mr. F. H. Holdman and a Chinese detective came on board, and witness reported the whole matter to Mr. Holdman.

The Magistrate (to witness): Where were the bags usually put?

—They were put in front of me on the fore part of the launch.

Magistrate: Are there any put down below?—Yes, only in cases where there are too many.

On being further questioned, witness stated that when he went down to the cabin, he saw the assistant coxswain was trying to hide the bag while the first defendant came up on deck.

In answering Mr. Hall, witness said that he did not see the first defendant open the bag but he saw him close it.

Mr. F. H. Holdman was then called to give evidence. He stated that on going on board the launch, he saw two bags of parcel mails being opened.

"Substituting"

He was, however, told by the last witness that there was an attempt to rob the mail. The last witness also pointed out the second defendant whom he saw actually engaged in substituting a Chinese quilt and some stones for the parcels, and the other men attempted to throw the quilt overboard.

Witness then ordered the Chinese detective to detain the defendants.

On examining the bags, witness found that the lead seal and string which were attached to the bags, were still loosely hanging on the bags.

The four parcels which were discovered by the last witness were all addressed to Haiphong, and according to the declaration on the neck label nothing was stolen.

Evidence was then given by a mail sorter of the post office who stated that the seals on the bags were intact when they were taken out from the post office.

On the closing of the case, Mr. Hall submitted that there was no case for him to answer. He pointed out that there was no evidence against the defendants for larceny.

The first witness said that he only saw the defendants tying up the bag. But they might have found the bag was loosened and were actually tying it up again.

Mr. Hall also pointed out the contradictory evidence given by the first two witnesses. He said that Mr. Castilho had said that he had only seen the defendants tying up the bags while Mr. Holdman, on the other hand, deposed that Mr. Castilho had told him he had seen the defendants substituting the quilt and stones for the parcels.

The Sentence

On Saturday the men were brought before Major C. Willson, O.B.E., at the Central Magistracy. His Worship had previously adjourned the case to consider the evidence and ruled that the defendants had a prima facie case to answer.

After evidence, the first defendant was convicted and sentenced to six months' hard labour. The second defendant was discharged as there was no evidence against him.

POISONING?

CHINESE WOMAN AND YOUNG LAD IN HOSPITAL

Mystery surrounds two cases of poisoning which have come to the notice of the police.

Reports issued on Saturday morning state that a Chinese woman named Tong Tai, 33 years of age, residing at 42 Kremer-street, was removed to the Kwong Wah Hospital suffering from poisoning. After partaking of food, she complained of feeling ill. Her case, as far as can be ascertained, is of a very serious nature.

The other report states that a Chinese youth, aged 6 years, died in the Kwong Wah Hospital as the result of partaking of poisoned food. The lad resides at No. 40 Kremer-street.

As an aeroplane was flying over it, a horse on the sands at Ballycastle Bay, Co. Antrim, jumped wildly and fell dead.

ROSS INSTITUTE

EFFORT TO PROMOTE LOCAL INTEREST

A TEA PARTY

The recent appeal by Mrs. W. T. Southern on behalf of the Ross Institute and Hospital for Tropical Diseases, of which she has been appointed the local representative of the Ladies' Committee, has not been made in vain.

For the past few weeks a smaller organising committee, representative and international in its membership, has been usefully employed promoting a bridge drive and mah jong party to be held at the Helena May Institute on Wednesday next from 4.30 to 6.45 p.m., primarily in aid of the funds of the Ross Institute and to enlist residents as Associate and Life Members of the Institute.

The social character and value of this tea-party and bridge and mah jong tournament must not be lost sight of; it has a special merit of its own in promoting good fellowship and bringing together the various nationalities in Hong Kong.

As far as we have been able to gather the organising committee have been greatly encouraged in their efforts by the response so far received. Not only have the full number of entries been sent in for the bridge and mah jong for ladies and gentlemen but a few applications for life membership have already been made and promises of small donations received. The Committee can do better with a few applications for associate membership.

Empire Enemies

The promoters are seeking sympathy and support from local residents "not only" as they state in the printed circular issued, "for a total cause but one of Empire-wide benefit." One cannot resist the force of the urge pressed upon the attention of residents in a position to help when the Committee claim that this is "an appeal for support for work which, although not popularly appreciated, is without doubt of the greatest importance to the development of the British Empire.

Several million deaths every year are caused directly or indirectly by malaria. The greatest enemies of the Empire are tropical diseases. The Ross Institute for Research and Hospital for Tropical Diseases is concentrating on medical research work in the prevention and treatment of tropical diseases and striving to stamp out malaria."

At the meeting at the Helena May Institute on Wednesday light refreshments will be served free of charge; but cigarettes will be sold at 20 cents a packet for the benefit of the fund.

The Committee

At the end of the tournament prizes will be presented to the winners in both the bridge and mah jong sections, and announcements will be made of interest and benefit to the Institute. It is hoped that Mrs. Southern might address a few words to the assembly before the party breaks up.

The success of this international gathering of ladies and gentlemen for so worthy a cause is absolutely assured when the names of its promoters are mentioned. The organising committee consists of Mrs. W. T. Southern, Lady Ho Tung, Mrs. H. T. Cressy, Mr. H. Leung, and Mr. J. P. Braga. They have secured the services of the following ladies as willing helpers:—Mrs. C. G. Alabaster, Mrs. Ho Ki, Mrs. Ho Leung, Mrs. J. M. da Rocha, Mrs. P. M. N. da Silva and the Honorary Secretary, Helena May Institute.

SNATCHING

YOUNG THIEF ORDERED 20 STROKES

"I congratulate you on your public spirit and your pluck and I hope you will be rewarded. If all people acted as you have done there would be much less crime in the Colony."

Thus spoke Mr. R. E. Lindsell at the Central Magistracy on Saturday, when he commended a Chinese boy for arresting a thief. The thief, it appears, snatched a pair of gold ear-rings from a woman who was walking along Queen's-road Central, on Friday. Both of the victim's ears were injured.

Prisoner, a youth, was ordered to receive 20 strokes of the birch and be detained in police custody for 48 hours.

MISSIONARIES IN CHINAThe news to hand of the
murder of Mr. Robert Elias
Blomdahl, the Swedish mission-
ary who was associated with the
Swedish Alliance Mission, to-
gether with the kidnapping of
Miss Tobin, brings vividly to
mind the risks and hardships at-
tending those generally through-
out China who are engaged in the
mission field. Never at any time
has the lot of the missionary in
China been such as would appeal
to anyone unless inspired with
what is regarded as a special
"call" to enter upon the work.
The vast majority of the mission-
aries live in the interior, and even
the most sympathetic view as to
what comprises their daily
routine can fail to find anything
in it to cause it, from a material
standpoint, to be a matter for
envy. It seems to be, for the
most part, a hard lot, tolerable
only by virtue of the knowledge
that it is inspired by what is
comprehended in the aforemen-
tioned "call." In the opinion of
the majority of foreigners in
China engaged in commercialpursuits, the missionary must re-
quire all the zeal that he or she
can possibly possess to live in the
interior of China, sometimes, no
doubt, pleasant enough but, for
the most part, almost entirely
devoid of what is regarded as es-
sential for ordinary existence in
Hong Kong or the Treaty Ports.
And can it be said that the re-
sults of the years of painstaking
application in the spiritual and
educational work in which they
have been engaged has had re-
sults in any way commensurate
with the amount of work expend-
ed? The missionary's work
should, of course, not be mea-
sured by the number of converts
brought within the fold. Rather
should it be regarded from the
point of view of the example and
precept which emanates from the
mission field generally. And
whatever one may feel disposed
to think with reference to mis-
sions generally, there can be no
two opinions in the minds of the
impartial that the influence im-
parted by missionaries is entirely
good. Many of the Chinese
doubtless are not in the least in-
terested in the Missions or their
workers. At best they merely
tolerate them just as Londoners
and English folk generally will
tolerate the proposed Buddhist
mission which we understand is
soon to have its English head-
quarters in London.Sincerity commands respect
throughout the world, and we be-
lieve that everywhere in China the
Chinese have not been slow to re-
cognise that those engaged in the
Mission field are at least invari-
ably sincere. There need be
little doubt that if the continued
residence of missionaries in
China depends upon the feeling of
goodwill entertained towards
them generally by the Chinese,
they may venture back to their
old districts, as we are glad to see
that many of them are now doing.
In times of crisis, especially as
was the case during the past few
years, missionaries with other
foreigners in the interior, are just
as likely to suffer in the mad mix-
up that not infrequently occurs,
as at Nanking, Hankow and else-
where, but, normally, mission-
aries are quite as safe in China as
in any other country.Therefore when such regret-
table episodes as a murder or a
kidnapping occurs these should
be looked upon as in no way in-
dicating the feeling generally felt
towards missionaries but, simply,
that the lawless and worse in
such a large and unorganised
country as China, much too
frequently, act as bandits
do in other parts of the
world. Their rash acts mere-ly reflect their rash minds,
and the likelihood is that they
are much more of a nuisance to
their own countrymen generally
than they are to the comparative-
ly few foreigners in the country.
The best thing foreigners can do
is to try to persuade and assist
in every way possible the Chinese
officials in their efforts to sup-
press banditry.Invitations have been issued
for an Institute which is to
take place at Government House
on the 26th instant.There will be a public Lecture
at the Helena May Institute on

Crook will speak on "Sex Life in

The owner of the junk was

Swatow whose address is care of
the Basel Mission, Tai-po-road,
Hong Kong, and Miss M. Fritz,
of Goppingen (Wurtemberg),
who is coming to Hong Kong on
the s.s. "Saarbrücken."Three Chinese living at No. 12,
Tai Yuan-street, Wanchai, were
this morning charged, before Mr.
R. E. Lindsell, for disturbing
their neighbours by playing mah
jongg until the small hours of
the morning. In discharging the
defendants, his Worship cautioned
them in future to stop playing
at midnight.Assistant junk Inspector Hillier
prosecuted, this morning at the
Marine Court, in a case in which
the owner and coxswain of the
motor boat "Luen On" were sum-
moned for using an "unlicensed
and unsurveyed motor boat." The
owner was fined \$20 on the first
charge and \$30 on the second,
while the coxswain was fined \$1
on each charge.A dance will be held in the City
Hall on Friday, November 2, at

tainable from Mrs. Wolfe, 157

Headquarters. Light refresh-
ments will be on sale.A fine of \$10 was imposed on
the master of a trading junk, by
Commander J. B. Newell, D.S.O.,
R.N., this morning. According to
the prosecution, the junk was an-
choring at the Southern Fairway
at a distance of about 50
yards from the Cheung Chau
Wharf on Saturday night. The
s.s. "Tashan," which was steam-
ing into the harbour at the time,
had to evade the junk in order to
prevent a collision. However, the
defendant was summoned with
causing an obstruction.A Chinese was, this morning,
charged before Mr. R. E. Lindsell
with returning from banishment
after he had been sent away for
five years on September 28, 1927.
He said that he arrived from
Singapore on Saturday by the s.s.
"Selatan" and was bound for
Swatow. A Chinese constable
told the Magistrate that he had
information ten days ago that the
accused was living on the ground
floor of No. 32, First-street, West
Point. The Magistrate gave a
remand for 24 hours for the
police to investigate the matter.
For placing two pigs in one
crate, and thus causing them un-
necessary suffering, a Chinese was
fined \$4 at the Kowloon Magis-
tracy this morning.Arriving from Portland,
Oregon and Legaspi, yesterday,
the s.s. "Wisconsin" reported the
death of a carpenter on board due
to heart failure.The master of a fishing junk,
who failed to exhibit the regula-
tion light at the Southern Fair-
way during the dark hours of last
week-end was, this morning, fined
\$10 at the Marine Court.**CORRESPONDENCE.****NO CONNECTION**(To the Editor of the "China Mail.")
Sir,—Kindly grant me space to
refer to the article blandly en-
titled "A forward step in Chris-
tian Science practice," which
appeared in the "China Mail" of
Saturday, October 13.For the benefit of your readers,
may I be permitted to state that
the views set forth in the above
article have absolutely no connec-
tion with the Christian Science
organisation founded by Mary
Baker Eddy.Christian Science is fundamen-
tally a religion. It is based on the
Gospel and there is nothing in
Mrs. Eddy's works which does not
coincide with the Scriptures.
Christian Scientists accept the
teachings of Jesus Christ in their
entirety and are successfully en-
deavouring to obey his command
to heal the sick and the sinning.
The healing work in Christian
Science is made manifest by radi-
cal reliance on the teachings of
the Master and sickness and sin
of every description are being
destroyed by the power of God, in
accordance with the words of the
great Nazarene, "Ye shall know
the truth, and the truth shall
make you free."We never read that Luke or
Paul recommended a combination
of spiritual and material methods.
Jesus never showed the slightest
sign of co-operating with the
physicians of his day. Does any
Christian believe that if our
Master were on earth to-day, he
would teach that Christian heal-
ing and medical practice can be
co-operative? On page 3 of her
work "Rudimentary Divine
Science," Mrs. Eddy writes:
"Genuine Christian Scientists will
not more deviate morally from
that divine digest of Science called
the Sermon on the Mount, than
they will manipulate invalids,
prescribe drugs, or deny God.
Jesus' healing was spiritual in its
nature, method and design."Nothing in the Scriptures or in
any of Mrs. Eddy's writings,
justify the proposals promulgated
in the above mentioned article
and it may be clearly seen that it
is impossible to honestly define
them as a forward step in Chris-
tian Science practice.

Yours, etc.,

W. H. ADLER.

TWO DAYS' BAZAAR

PRECIOUS BLOOD CONVENT MEETS WITH SUCCESS

"THE FUN OF THE FAIR"

Starting on Saturday afternoon and continuing the whole of yesterday, from 10 a.m., the annual two days' bazaar of the Precious Blood Convent attracted large crowds on both days. As in former years, the premises of the Chinese Catholic Young Men's Society, No. 16, Calne-road, were placed at the disposal of the Bazaar Committee, and were very tastefully arranged for the fair.

To the credit of the Committee, this year's bazaar was arranged on a much larger and more ambitious scale than any of its predecessors, the adjoining grounds of the Roman Catholic Cathedral also being occupied for the purpose of the fair. Here many booths were erected, and all were laden with beautiful and serviceable things well worth the money asked for them.

The Opening

On Saturday afternoon, Mrs. Kotewall, wife of the Hon. Dr. R. H. Kotewall, C.M.G., LL.D., declared the bazaar open, in the presence of a large gathering, which included Mrs. C. C. Luard, who was one of the patrons of the bazaar.

The ceremony was performed in front of the main entrance of the Cathedral, and, in declaring the fair open, Mrs. Kotewall untied a ribbon and removed the paper covering of a large glass jar filled with lottery tickets.

The Hon. Dr. Kotewall, as President of the Bazaar Committee, then addressed the gathering. He expressed thanks on behalf of his wife for the honour paid her in asking her to open the bazaar. The fair, the speaker said, was organised to raise money for a very deserving cause—to aid the Precious Blood Convent, the good sisters of which were doing excellent work in providing a home for the aged poor, to whom the benefit of the kind ministrations of the sisters was given without any expectation of reward and in the true charitable spirit.

This year, Dr. Kotewall said, the good sisters required more money than ever because they were faced with the urgent necessity of erecting a new building to supplement their present premises, which they had outgrown. The sisters hoped to raise the money by this bazaar, which was their sole means of income, and therefore Dr. Kotewall appealed to the gathering to help the good cause by spending freely at the fair, in buying as much as they could of the many pretty and useful things, with which the various stalls were laden.

Dr. Kotewall then expressed thanks to Mrs. Luard, for her presence, which was ample proof of her interest in the work of the sisters of the Precious Blood. He stated that two other patrons of the bazaar were Mrs. W. T. Southorn and Mrs. A. C. Hynes, and to these ladies Dr. Kotewall also expressed thanks for consenting to be patrons.

As President, Dr. Kotewall congratulated the Bazaar Committee for the hard work which they had put in the organisation of the fair, and said that it only remained for those present to do their share to make the bazaar a bigger success than ever before.

Referring to His Lordship the Right Rev. Bishop Valtoris, Dr. Kotewall regretted that His Lordship was unable to be present at the opening of the bazaar, as he had just returned from a visit to Wuchow. Dr. Kotewall said that no doubt His Lordship would grace the fair with his presence later in the afternoon.

Bouquets

Afterwards both Mrs. Luard and Mrs. Kotewall were presented with beautiful bouquets of flowers by two pretty little Chinese girls.

Subsequently, Mr. Chan Wal-chuen, Hon. Secretary and Treasurer of the Bazaar Committee, conducted the party on a round of the various stalls, which included the "Little Archery," the "Lucky Bird" stall, the "Ten Cents" stall, the "Twenty Cents" raffle, the "Weight Guessing" stall and the "Mental Guessing" stall, to mention only a few.

The stalls contained things which appealed to all. There were very fine and useful woollen goods, needlework, embroidery, etc., all of which were desirable prizes, and a glorious collection of toys which delighted the children. On both days the fun of the fair was carried well into the evening when the two approaches to the bazaar—from Calne-road and from the Glen—were brightly illuminated with electric lights and the scene, with its splash of colours from the flag-draped stalls, was very animated.

Excellent music by the Hotel Savoy Band, enlivened the fair.

LESSON, SERMON

FIRST CHURCH OF CHRIST, SCIENTIST, HONG KONG

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 13.

The Golden Text was from Jeremiah 17:14, "Heal me, O Lord, and I shall be healed; save me, and I shall be saved; for thou art my praise."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And God saw every thing that he had made, and, behold, it was very good. And the evening and the morning were the sixth day. . . . Thus the heavens and the earth were finished, and all the host of them." (Gen. 1:31, 2:1).

The Lesson-Sermon also included the following passages from the Christian Science text-book: "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "In the Science of Genesis we read that He saw every thing which He had made, and, behold, it was very good." The corporeal senses declare otherwise; and if we give the same heed to the history of error as to the records of truth, the Scriptural record of sin and death favours the false conclusion of the material senses. Sin, sickness, and death must be deemed as devoid of reality as they are of good, God." (P. 525).

"GARDEN OF ALLAH"

ROBERT HICHEN'S FAMOUS NOVEL FILMED

COMING TO QUEEN'S

Robert Hichens' famous story "The Garden of Allah," has been transferred to the screen under that title and will be shown at the Queen's Theatre from Wednesday to Saturday next, according to a special advertisement in this issue. Directed by Rex Ingram who produced such notable pictures as "Scaramouche," "The Four Horsemen of the Apocalypse" and many others, the picture has an intensely gripping story, the central theme of which concerns the struggle of conscience against passion. It is the story of a Trappist monk who vowed never to marry. He runs away from an Algerian monastery and despite his vows, marries a beautiful young girl unacquainted with his past. Three months of honeymooning on the Sahara desert are spoiled by pangs of conscience. A sandstorm nearly kills him and his bride and he promises God if she is spared he will repent and confess his past life. What follows provides a stirring conclusion to a remarkable story. The picture was filmed on the precise locations in Africa so vividly described in Robert Hichens' famous desert romance and has a superlative cast which includes Alice Terry, Ivan Petrovitch and other screen notables.

"THE NEWS PARADE"

FILM WITH A NEW THEME AT THE QUEEN'S

"The News Parade," a film with a new theme, pleased large houses at the Queen's Theatre yesterday, and will be for the last time screened to-day.

It dealt with the struggles of Nick Maylor, ex-printer's devil, to get a job as a cameraman. In order to make good he had to jump with a parachute to photograph an air in mid air, take a picture of a fire engine winding its way in and out of the traffic, at break neck speed, and finally secure a picture of a camera-shy millionaire, Mr. A. K. Wellington who is proud of the fact that he is a member of the Duke's family.

His dislike for photography was because his father had his beard burned in an explosion when sitting for a portrait in an old time studio. Young Nick had to trail Wellington to Havana and there save him and his daughter from a couple of South American crooks before Wellington would consent to be photographed.

Miss Wellington "fell" for the daring young cameraman and a wedding followed.

FALL OF BABYLON

SPECTACULAR FILM AT THE WORLD

Magnificent temple scenes, thrilling battles, beautiful dances, in short, Babylon reconstructed, down to the smallest detail, this is the film, "The Fall of Babylon," now showing at the World. It contains much that is beautiful and instructive, and through it all runs the old story of the betrayal and the consequent fall of the ancient city. Constance Talmadge in the role of the mountain girl takes the leading part which, incidentally, is a very active one. Her portrayal of the bad-tempered maiden is a credit to even her acting. The battle scenes are, to say the least, exciting, and it is interesting to watch the attacking towers, the boiling oil, etc., in use as it was in the old days. It is a spectacular film, and a lot of time and trouble has obviously been spent in order to present things as they were (so far as we can tell) in those times.

THE NEW EAST

FROCK COATS INSTEAD OF FLOWING ROBES

The adoption of Western customs by Eastern peoples is one of post-war history. Since the King of Afghanistan returned to his country after his European tour last spring he has made sweeping changes.

At the recent triennial Parliament at Kabul, tribesmen from remote fastnesses were equipped with frock coats and felt hats in place of their flowing robes and turbans, and were astonished at the sight of Afghan women driving motor-cars through the streets of the capital.

There, too, the Queen herself has set the example of appearing unveiled.

In Turkey, not the least remarkable innovation since Mustafa Kemal made the country a republic has been the abolition of the fez and the substitution of European hats with brims.

The wearing of the veil by women is no longer obligatory—it is even forbidden in some places—and the introduction of a new alphabet, with Latin characters instead of the Arabic form, is another step in the westernisation of Turkey.

HARBOUR SWIM

146 CHINESE ENTRIES IN
ANNUAL EVENT

7 LADIES COMPETE

The annual cross-harbour swimming race for Chinese, held under the auspices of the Hong Kong Chinese Amateur Athletic Federation, was successfully held at North Point on Saturday afternoon.

A record entry and the number who completed the course exceeding last year's total entries were features of the event which attracted a very large gathering of interested spectators.

In all there were 146 entries, of which number 7 were of the fair sex. How many actually took part was not known and there was no count of those who finished. Time limits of one hour and 75 minutes, respectively, were set for the two sexes; 58 men and 3 ladies came within the limits.

The course, was from Channel Rock to the Chinese Bathing Club's beach at North Point, a distance of about a mile. Starters were conveyed in a launch to the starting point and followed across in a fleet of small craft.

Increasing Interest

Chan Chun-hing led from the outset and proved an easy winner; but there was a close struggle for the other "places." Miss Kwok Tsai-ming, the first of the ladies to finish, was 52nd in the combined race.

A large and enthusiastic gathering, including the Hon. Sir Shou-son Chow, watched the race and the subsequent ceremony in the Chinese Bathing Club.

Mr. Ng Sze-kwong (chairman of the H.K.C.A.A.F.) called on Miss Chow Suk-chun, daughter of Sir Shou-son Chow, to present the prizes. He thanked her for doing so and expressed pleasure at the presence of Sir Shou-son and his daughter. The fact that more and more Chinese showed interest in sport, Mr. Ng continued, was a good sign for the country. He hoped that there would be even more entries next year.

In a humorous reply, Sir Shou-son Chow said that he was glad to see the ladies competing with the men. He promised to donate a cup for next year's race.

The Winners

Silver cups were presented to the first five men and the three ladies. The other men who finished the distance in the hour received medals.

The leaders were:—
Men:—Chan Chun-hing, 35 mins. 17 secs.; 1st; Yeung Hung-wa 2nd; Leung Shui-man (winner last year) 3rd; Lau Chi-hing 4th; Yeung Yuen-wa 5th; Tong Fo-sam 6th; Wong Siu-chi 7th; Wong Ki-leung 8th; Li Fook-kai 9th; Chan Hung-chew 10th.

Ladies:—Miss Kwok Tsai-ming 1st; Miss Choy Po-chi 2nd; Miss Chan Yuk-fai 3rd.

The winning lady presented a bouquet to Miss Chow at the conclusion of the prize distribution.

PARALYSED FOR 8 YEARS; POO ON HERBS
MADE HIM WELL.

Mr. L. F. Carver for eight years a business associate of Mr. B. F. Decker both residing at the Ingle Camp, near Modesto California gave the following statement in regard to Poo On Herbs. He says: About eight years ago while I was in Oklahoma City I was taken down with typhoid fever. Soon after I got up from that I had a severe stroke of paralysis. I was bedridden for six months and all doctors said there was no cure for me, as they have done all to their ability for me, as I am in a hopeless condition. I then tried the chiropractic school. They said all they could do was to prolong my life a little but that I would be a cripple for life. I have tried them off and on for the last eight years, but I gradually grew weaker. My right side from head to foot was paralysed. I could not use my left eye, it stuck to one side and seemed dead. My fingers had no feeling. If I picked up a nail I did not know if I had one or three. My right leg was also paralysed. When I walked I was a carpenter by trade and for a long time I have not been able to file a saw because of my eyes. After I came to Modesto, California, here I had the second stroke nearly a year ago. Then my mind gradually grew weaker. Six weeks ago I could not remember from one day to the next and was unable to talk much because I could not think. I was paralysed and could not do any work at all. In fact I was never able to do real labour after the first stroke. I am a carpenter by trade and for a long time I have not been able to file a saw because of my eyes. After I came to Modesto, I heard about the merits of the Poo On Chinese Herbs have done to thousands of people in Modesto here. The herbs have cured all different ailments. My business associate Mr. B. F. Decker and I called at Poo On Herbs Co. After the consultation with the Herbalist I decided to try his herbs. My condition was wonderfully improved, and in two weeks I could walk as well on my right as on my left foot. I could bend both knees and ankles. My right foot got so much better and I could move it and now after taking the Poo On Chinese Herbs, for six weeks I can see to file a saw. I can pick up nails and tell if I have one or more. The feeling having returned to my fingers, and my right hand is as good as my left. Before I took the herbs I had no pulse in my right hand and now the pulse in that hand is as good as in the left. I can work with a pick and shovel now, and I could not do that things now and my head is much clearer. I can converse intelligently and think clearly. Off and on during these eight years I have had fainting and dizzy spells, and small strokes and paralyses. Now this is gone and I have gained 9 pounds already. Recently through some of his friends we learned he had returned to his home in Oklahoma. Six years later reports say he is in excellent health, and feeling perfectly normal in millions of people die all over the world.

In 1919, during the epidemic of the Spanish Influenza (Flu) physicians all over America considered it very difficult to cure, but Poo On Chinese Herbs cured thousands of people with this disease rapidly; and not one case was fatal.

GENERAL'S CUP FOR MACHINE GUNNERS

LAMMERT'S "DOUBLE"

Enthusiasm was shown both in the Corps events and the "open" events in the very successful annual athletic sports meeting held by the Hong Kong Volunteers on the Kowloon Cricket Club's ground on Saturday.

Keen, splendid contests were witnessed but, as was anticipated, the Machine Gun Company outshone the other units and won the cup presented by the Hon. Mr. W. T. Southern, C.M.G., with 28 points. Scottish Company came second with 9 points. The Battery and the Portuguese Company tied for third place with 5 points each. These were the only four units competing.

G. P. Lammert again won the 100 yards. His time of 10.2/5 seconds is a reflection of a hard run race. Eastman finished strongly about two yards behind Lammert with Owen Hughes a good third.

Times Good

The 440 yards race was won by Lammert also, his time being 54.1/5 seconds. The Corps half-mile provided a fine race, Kung leading at the beginning but conceding his place to Kerr, who was finally overtaken by Francis.

The Open mile was captured by Tiernan, R.A.M.C., who ran a splendid race. However, Private Cranston, the 2nd K.O.S.B., "crack," was fast catching his man when the latter breasted the tape.

Only three competed in the High Jump which was won by Gosano and Remedios—the only points the Portuguese Co. gained.

The meeting was a great success. Times were good, competition keen and a splendid venue chosen for the races.

An unfortunate incident occurred in the Open Mile. One of the K.O.S.B. men suddenly collapsed in front of the spectators when going the second time round. He appeared to be suffering from an acute attack of cramp and was removed to the pavilion.

Acknowledgments

On asking Mrs. Southern to present the prizes, Lt.-Col. L. G. Bird, D.S.O., Commandant, in a neat speech, said that he was sure the success of the sports was due to the kindness of Kowloon Cricket Club for the loan of their ground, and also to other people who had done such a lot in organisation.

Lt.-Col. Bird also thanked H. E. the Officer Administering the Government and Mrs. Southern for their presence, and to members of the Corps who had put in such hard work.

In conclusion, the Commandant asked Mrs. Southern to accept as a memento of the occasion a silver cigarette case.

Mrs. Southern expressed her thanks for "a gift she did not deserve." It had been quite a surprise and was a very useful present. She caused merriment by adding that the cigarette case she already possessed was the gift of Major H. B. L. Dowbiggin and that it was an advertisement for "sherry!"

Three lusty cheers were accorded Mrs. Southern, and a hearty "tiger" followed by the national anthem concluded an enjoyable afternoon.

"AT HOME" & DISTRIBUTION OF PRIZES

HOSTS TO BOWLS CLUBS

Winners of division I of the Lawn Bowls League, Craigen-gower Cricket Club held an "at home" on Saturday at Happy Valley.

The large gathering of friends included representatives of all the other local Clubs and many ladies.

The function, which opened at 3 p.m., and continued well into the evening, provided excellent and varied amusement to those present. Lawn bowls was played on five rinks, athletic sports, in which both children and adults competed, and a tea dance to fine music by the King Edward Hotel Band.

Opportunity was also taken at the "At Home" to distribute the Club's prizes won by members in various branches of sport during the year, and by the successful competitors in the afternoon's competitions.

This ceremony was gracefully performed by Mrs. Stainsfield, who was presented with a bouquet tied with the Club's colours.

RACES AT MACAO

TENTH EXTRA MEETING A SUCCESS

WIN FOR H.E. THE GOVERNOR

Winning favourites were not numerous yesterday when the Macao Race Club held their tenth extra meeting in a blaze of success and with an attendance that included well over a thousand followers of flat-racing in Hong Kong.

Fields were fairly big and there were a number of close finishes. Interest was maintained throughout. The Priestley interests annexed two firsts with Tarmacadam and Misty Eve, the latter in the big event of the day on which a \$1 cash sweep was run—an innovation which was freely patronised.

H.E. the Governor of Macao (Sanhor Arthur Tamagnini de Sousa Barbosa) scored a popular victory with Veloz.

SOCCER LEAGUE

(Continued from Page 2.)

NAVY v. SOUTH CHINA (A)

At Happy Valley, Royal Navy's div. II team divided four goals with South China's "A" team. The latter scored first but were a goal down when ends were changed and they subsequently equalised to share the points.

In the early play Navy attacked very strongly; but after ten minutes, the Chinese inside-right scored a nice goal from a difficult angle. Navy then scored, thanks to a good goal by Sorbie after 25 minutes' play. Navy were playing up strongly now and 'Skull' put them ahead with a good shot just before the interval.

The second half was very bright with Navy having a large share of the game. From a quick breakaway, however, the Chinese scored again, their inside-right smashing in a good shot to make his second goal.

South China played smartly. They snatched a point because Navy were weak in front of goal and missed many chances.

For the R.N., Sorbie, Skull and Hammett (of the forwards) and Sims, Mist and Price did well.

South China's forwards were nippy. The inside-right's two goals were of the "opportunistic" type and the right-back, centre-half and outside-left played well.

WAS BED-RIDDEN AFTER MALARIA

Until Dr. Williams' Pink Pills Restored Her Strength.

Years Later The Same World-Renowned Blood and Nerve Tonic Again Rescued This Lady In Burma From Another Weakening Disease.

Malaria! Fever is one of the most enervating of maladies. It is to the fact that they are an exceedingly powerful blood and nerve tonic that Dr. Williams' Pink Pills owe their immense popularity as a restorative in countries where malaria is prevalent. The case of Mrs. S. W. Peters, wife of a retired railway official residing at Myazigon Pagoda Road, Tounoung, Burma, is an example of the help they give.

"About twelve years ago a severe attack of malaria left me so weak and run-down," says Mrs. Peters, "that I could not rise from my bed. The medicines prescribed failing to restore my strength I tried Dr. Williams' Pink Pills on the advice of friends and then before long my appetite returned and so did my health."

"After that I had no further need of Dr. Williams' Pink Pills until many years later. Then my health again broke down as a result of a very bad attack of diarrhoea, and I was again confined to bed. I had no inclination for food and became extremely weak and thin."

"Remembering the medicine which had cured me on a previous occasion I gave Dr. Williams' Pink Pills a further trial. The course was no sooner commenced than I began to feel better, and my condition continued to improve until I was up and about again. I have kept in good health ever since."

Reader, are you a sufferer from any form of weakness or ill-health arising from watery vitiated blood or disordered nerves? It so give Dr. Williams' Pink Pills for Pale People, the world-famous blood builder and nerve tonic which twice cured Mrs. Peters, a trial, and they will surely do you good. Chemists everywhere sell them, or post free, \$1.50 per bottle, 6 bottles \$8.00, from the Dr. Williams' Medicine Co., 60, Kiangae Road, Shanghai.

DONE TO DEATH

SWEDISH MISSIONARY IN
SHANSI

NIGHT IN A HOSTEL

Peking, Saturday.
The Swedish Legation states that Chinese bandits have murdered a Swedish missionary, Mr. Robert Elias Blomdahl, of the Swedish Alliance Mission.

Mr. Blomdahl was going from Kweihsing, in the north-west of Shansi province, to Tokio. He was attacked while spending the night of Oct. 3 in a small hostel about 30 miles from his starting point.

(Note: Both Kweihsing and Tokio are outside the Great Wall, the latter being less than 50 miles south of the former. Kweihsing is a recognised Protestant station, and the terminus of the Peking-Suiyan Railway. Shansi is under General Yen Hai-shan, but that part of Shansi province outside the Wall comes within a special administrative area, of which General Shang Chen (a supporter of Yen Hai-shan and now promoted to Peking) is the Tutor.)

THE NEW BRITISH AIRSHIP R100

FOR CHRISTMAS

TO ESTABLISH AN ENGLAND-
AMERICAN SERVICE

100 PASSENGERS CARRIED

London, Yesterday.
It is stated that the British airship, R100, now under construction at Howden, Yorkshire, will be completed before Christmas. The tests will probably include a demonstration flight to America and it is proposed later to establish an England-America airship service on a commercial basis.

The R100, although her length is less than that of the "Graf Zeppelin", which this afternoon was nearing the American coast, is designed to carry 100 passengers, and her engine is more powerful.

The airship R101, which is under construction by the Air Ministry at Cardington, is also almost ready for shod tests.—British Wireless Service.

RAILWAY SMASHES

THE COLLISIONS AT CHAR-
FIELD AND GLASGOW

LATEST DETAILS

London, Saturday.

Seven persons were killed and many injured when a mail train collided with an empty goods train which went on fire near Charfield, Gloucestershire, in dense fog at five o'clock this morning.

3 Coaches Telescoped
The mail train was travelling from Newcastle. The express struck the front of the goods train which was backing into a siding.

Three coaches of the express were telescoped and both trains burst into flames.

The passengers of the mail train were imprisoned in the wreckage, which piled up. The impact was so terrific that some of the wreckage struck and partly demolished a road bridge.

9 Killed; 21 Injured
Nine were killed and 21 injured. The express was from Leeds and was travelling to Bristol, when it collided with a shunting goods train.

Another goods train up the line was involved, some of the carriages of the express swinging into the latter after the collision.

Both engines were smashed and burned and were unrecognisable metal work.

The rescue was very difficult, and the coaches were still blazing at 9 a.m.

THE GLASGOW SMASH

London, Saturday.

One person was killed and 50 were injured when an empty train crashed into a stationary and heavily laden Glasgow to Edinburgh train in a tunnel outside Glasgow.

Three coaches were telescoped.

The dead man was a bridegroom on his honeymoon. His bride was injured.

Newly Married

The condition of some of the injured in the Glasgow collision is very serious. Rescue work proceeded all night, the darkness of the tunnel intensifying the horror. Three telescoped coaches had to be chopped in order to release the victims. The dead bridegroom was still wearing the carnation he wore at the morning ceremony. One woman carried out still held a half-eaten orange in her hand.

Graphic Details

When the rescuers, after two hours' hacking at the wreckage in the long narrow Queen Street tunnel, dragged out the body of a man, confetti fluttered from his clothing. "He had been crushed. From the carnation in the button-hole, the body was identified as that of Mr. Donaldson Gray of Glasgow. He had been married three hours previously. His bride was one of the first of the injured to be removed and she had to have her leg amputated at the infirmary. A second newly-wedded pair were Mr. and Mrs. James Ross of Glasgow. Both were injured, each having a broken leg.

Mrs. Gray's condition is critical. The express was going to London via Edinburgh but most of the victims were from Edinburgh and Glasgow and many of them were going to London.

The passengers who escaped were detained till a later train owing to the heavy booking.

The rear coach through which the engine of the empty train tore was, fortunately, unoccupied.—Reuter.

A BEACHY HEAD SENSATION

TRAGIC AFFAIR

UNCONSCIOUS FOR 17 HOURS
AFTER 80 FEET FALL

POLICE TO THE RESCUE

Seventeen hours after he vanished from sight, a man who fell over Beachy Head, after crying, "Good-bye, everyone," was found alive on a ledge 80 feet down the cliff.

Coastguards who were lowered to the spot were astonished to find the man, though unconscious, was not dead.

Police set out in a boat for the foot of the cliff, and a telephone message was sent for a doctor, who raced to the spot in a fast motorboat.

The man was strapped to a stretcher and lowered stage by stage by police and coastguards to the beach, where he was placed in a motorboat and carried to hospital in Eastbourne.

His identity is unknown, but he is described as being of medium height, aged about 40, dark, and well dressed.

The vernacular papers state that General Chang Hsueh-liang, the head of the Manchurian Government, who has been appointed a State Councillor by Nanking, is summoning a conference to be held at Shanhaiwan (at the boundary between China Proper and Manchuria) on Oct. 15.

Delegates of General Yen Hai-shan of Shansi and of General Pei Chung-hsi (the Nationalist of Kwangsi who directed the campaign against the Northerners) are going to the conference with the object of discussing the return to the Nationalists of rolling stock taken away by the Manchurians and the Northerners when they evacuated Peking a few months ago. The re-opening of through traffic on the Peking-Mukden Railway is also to be discussed.—Reuter.

Nationalist Go Home

Tongshan, Saturday.

General Yeh Chih, commander of the 12th Nationalist Army (under General Pei Chung-hsi) went to Mukden by special train on the night of Oct. 12.

Traffic of the Peking-Mukden Railway has been stopped from crossing Lanhsien bridge during the hours of darkness, including coal trains. These are halted to the east of the bridge and searched, only the engine crew and guards being allowed to proceed beyond that point.

Large movements of Nationalist troops to the westward are taking place. It is estimated that 11,000 troops with transport have moved west, either by foot or train, during the last 24 hours. Parties from the direction of Lanhsien have been passing through Kuyeh to the west.

The Tongshan mining area is quiet.—British Naval Wireless.

THERE is no worry or anxiety in rearing Baby healthfully and happily, even in a tropical climate, when Glaxo is used as Baby's food.

Glaxo is the food that has been used to rear the children of five Royal Nurseries. Court Physicians see that Royal Babies have the best and most nourishing food—that is why Glaxo has been chosen.

Give your Baby Glaxo, and watch the difference after a few days; see how restfully he sleeps, how contented he is and how steadily he increases in weight. Ask your Doctor!

SOCCER LEAGUE

(Continued from Page 2.)

NAVY v. SOUTH CHINA (A)

At Happy Valley, Royal Navy's div. II team divided four goals with South China's "A" team. The latter scored first but were a goal down when ends were changed and they subsequently equalised to share the points.

In the early play Navy attacked very strongly; but after ten minutes, the Chinese inside-right scored a nice goal from a difficult angle. Navy then scored, thanks to a good goal by Sorbie after 25 minutes' play. Navy were playing up strongly now and Skull put them ahead with a good shot just before the interval.

The second half was very bright with Navy having a large share of the game. From a quick breakaway, however, the Chinese scored again, their inside-right smashing in a good shot to make his second goal.

South China played smartly. They attacked a point because Navy were weak in front of goal and missed many chances.

For the R.N. Sorbie, Skull and Hammett (of the forwards) and Sims, Mist and Price did well.

South China's forwards were nippy. The inside-right's two goals were of the "opportunist" type and the right-back, centre-half and outside-left played well.

WAS BED-RIDDEN AFTER MALARIA

Until Dr. Williams' Pink Pills Restored Her Strength.

Years Later The Same World-Renowned Blood and Nerve Tonic Again Rescued This Lady In Burma From Another Weakening Disease.

Malarial Fever is one of the most enervating of maladies. It is to the fact that they are an exceedingly powerful blood and nerve tonic that Dr. Williams' Pink Pills owe their immense popularity as a restorative in countries where malaria is prevalent. The case of Mrs. S. W. Peters, wife of a retired railway official residing at Myazigon Pagoda Road, Toungoo, Burma, is an example of the help they give.

"About twelve years ago a severe attack of malaria left me so weak and run-down," says Mrs. Peters, "that I could not rise from my bed. The medicines prescribed failing to restore my strength I tried Dr. Williams' Pink Pills on the advice of friends and then before long my appetite returned and so did my health."

"After that I had no further need of Dr. Williams' Pink Pills until many years later. Then my health again broke down as a result of a very bad attack of diarrhoea, and I was again confined to bed. I had no inclination for food and became extremely weak and thin."

"Remembering the medicine which had cured me on a previous occasion I gave Dr. Williams' Pink Pills a further trial. The course was no sooner commenced than I began to feel better, and my condition continued to improve until I was up and about again. I have kept in good health ever since."

Reader, are you a sufferer from any form of weakness or ill-health arising from watery vitiated blood or disordered nerves? It so give Dr. Williams' Pink Pills for Pale People, the world-famous blood builder and nerve tonic which twice cured Mrs. Peters, a trial, and they will surely do you good. Chemists everywhere sell them, or post free, \$1.50 per bottle, 6 bottles \$8.00, from the Dr. Williams' Medicine Co., 60, Kings Road, Shanghai.
